Received 6/10/17 12:44 from P.O. 12/8/95

[Handwritten initials]

51201041 S/D BO AN BA

Due to the manner in which the hand printing on specimens Q14 through Q17 was prepared and the lack of detail in the submitted photographs, it could not be determined whether the questioned writing was prepared by VANCE BROCKWAY, writer of specimen K4. It is doubtful if this hand printing will ever be identified with hand printing of a known individual.

Photographs are retained.
