Rich Hunt OC

Trying to coordinate a little further w/ M/E's office

Luminal - brings out the blood

All went to c/s this morning

FBI ME + his people 1 police LT + Crime scene

all kinds of inconsistencies in findings @ TDC

still finding evidence - blood/hairs

Scrapings on wall possibly from riot shields unknown

been people in there

Since prisoner's bunk cell looks like it's been repainted since then in.

Recommending we take

The bed mattress sheets.

1107. I would say that

that floor

6 people ~~had~~ lived up to take

4 people on watch in that ^{particular} cell
area
pres initially
who
body was
found

LT Resp. for whole facility
that was called
& responded late + took

2

Med physician at CDC — changed his story
2 diff memos w/ 12/14/96
different stories

called to cell but not allowed
administer first ride
that he had wit
talked to them.

fold part
at CBS
got

impr CBS been to Med Examiner's
off on earlier today.

talked to OC media rep.
gave standard comment
no comment on a
pending INV.

~~*~~

M/E kinda like a loose
canon.

Things seem to have gotten a
little more tense at the
Prison.

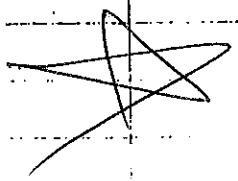

M/E has Documented his prelim Rpt
Cause of death T/A

U

my views vary

brother got air time
made ref to a contact w the M/E

M/E said he had been asked
not to release his findings until
inv completed

made ref to FBI

collectedly agreed to review case
