Re: Trump Princess Indiana - Gary, Indiana

Dear Buddy:

On behalf of our client, namely, Trump Princess Indiana, I wanted to thank you for meeting with me to discuss the status of the gaming issues and the Trump project in the City of Gary. In particular, I wanted to thank you for the opportunity to discuss the Trump Indiana Charitable Foundation and the charities which we are proposing as initial recipients from the Foundation. As we discussed, it is important that we do not exclude any one group of charities. Therefore, we will be listing many charities as possible recipients to not exclude any one at this time.

I also wanted to thank you for agreeing to serve on the Board. Documents will be forwarded to you for signature in the very near future. For your files, please find enclosed a list of the charities we discussed as potential recipients from the Trump Indiana Charitable Foundation.

Once again it was good to see you and please do not hesitate to call me with any questions.

Very truly yours,

TABBERT HAHN & ZANETIS, P.C.
